

BLENDED FAMILIES

How many types of blended family can you think of?

THANK YOU MUM ('WONDERFUL WOMAN')

Mum, You Adopted and Loved Me

As One of Your Own

Gave Me Brothers and Sisters

A Place to Call Home

"Thank You"

Have to Let You Know

How I feel in My Heart

A Better Mother?.....There's None

You gave Me That Start

"Thank You"

You Taught Me Things

Most Important in Life

Like Trust, Love & Happiness

So Simple, But Right!!

"Thank You"

I'm a 'Big Man' Now

The Years Have Passed By

I Can't Forget Your Words

About "What You Can Achieve –

If You Try"

"Thank You"

Have you adopted or ever considered it?

Do stepchildren, stepbrothers and stepsisters present any challenges?
